

# Carmel Pretzel Squares

*Extremely simple, yet very elegant looking.*

1 bag pretzel snaps

(square pretzels, look like small waffles)

3 bags of Rollo Candies.

Any/All of the following

Pecans\*

Cherries (rinsed and dried)

Peanut M&M's

Place pretzels on a cookie sheet

Place one rollo centered on each pretzel

Place in 300 degree oven for 3 to 5 minutes

Remove from oven, and press a pecan\* down on the rollo

(firmly enough so that the rollo is compressed into the pretzel, and the pecan into the rollo)
