

# Pretzel Squares

*Extremely simple, yet very elegant looking.*

**1 bag pretzel snaps**

**(square pretzels, look like small waffles)**

**2 bags of Hershey Hugs (White and Chocolate Swirled Kisses)**

**Pecans halves**

**Peanut M&M's (Red and Green ones for Christmas)**

**Place pretzels on a cookie sheet**

**Place one candy centered on each pretzel**

**Place in 300 degree oven for 1 to 2 minutes**

**Remove from oven, and press a topper down on the candy**

**(firmly enough so that the candy is compressed into the pretzel, and the topper into the candy)**
