

Andy's Spinach Dip

There was this restaurant call the American Café, which had this great spinach dip. From taste, I tried to model this recipe after theirs.

- 1 PKG Stouffer's Frozen Spinach Soufflé
- 1 PKG Small Velveeta Cheese (8 oz)
- 1 Jar Salsa (I use mild)

Cook the Soufflé in the Microwave for about 4 minutes, until creamy, but not hard.

Melt the Cheese for a minute or two.

Mix the Soufflé and Cheese, and add in some Salsa (about ½ jar*)

Re-heat as needed.

Server with Mexican Chips.

*I use less, season to taste.
